

# Smart Irrigation Controller Rebate Program

## Guidelines for Participation

- Be a water customer in San Gabriel Valley Municipal Water District's service area. SGVMWD's service area includes Alhambra, Monterey Park, Sierra Madre, and Azusa (91702 only).
- Have a water service account that has been active for at least twelve months, and use potable water for irrigation. Properties using recycled water or well water do not qualify.
- This program is for **residential** customers only.
- Site must have at least 500 SF of existing irrigated landscape area and have an existing in-ground irrigation system.
- New construction does not qualify.
- Each Smart Irrigation Controller must replace an existing traditional, non-weather based irrigation timer.
- Customer must install and program controller per manufacturer's directions and, if applicable, pay the service fee.
- San Gabriel Valley Municipal Water District will pay up to \$150 for each qualifying SMART irrigation controller.
- Total rebate amount shall not exceed the cost of the device (excludes sales tax and labor costs).
- Please allow 6 to 8 weeks for rebate check.

Mail the rebate application and your water bill along with a copy of your sales receipt to:
